

What is Texas CLASS?

The Texas Cooperative Liquid Assets Security System Trust (Texas CLASS) is a local government investment pool that emphasizes safety, liquidity, convenience, and competitive yield. Since 1996, Texas CLASS has sought to provide Texas public entities with a safe and competitive investment alternative. Texas CLASS invests only in securities allowed by the Texas Public Funds Investment Act. Texas CLASS is rated 'AAAm' by S&P Global Ratings. The 'AAAm' principal stability fund rating is the highest assigned to principal stability government investment pools.

Who oversees and manages Texas CLASS?

Texas CLASS is supervised by a Board of Trustees whose members are elected by the Participants. The Board of Trustees supervises the Trust and its affairs and acts as the liaison between the Participants, the Custodian, and the Program Administrator. The Board retains the services of Public Trust Advisors, LLC (Public Trust). Public Trust serves as the investment advisor and provides administrative and marketing services for Texas CLASS. Additionally, the Board of Trustees has appointed an Advisory Board composed of individuals qualified to advise the Trust. The Advisory Board provides advice to the Board of Trustees and the Program Administrator about the investment policy and investment strategy of the Trust and about other matters as requested by the Board of Trustees and the Program Administrator.
